**Guiding Communities  
to a Vibrant Future**

# What is a Community Coalition?

According to the Community Anti-Drug Coalitions of America (CADCA), “a coalition is a formal agreement and collaboration between groups or sectors of a community in which each group retains its identity but all agree to work together toward a common goal of building a safe, healthy, and drug-free community.”

# Communities Engaged in Prevention

# **2025 - 2026**

# Other Resources

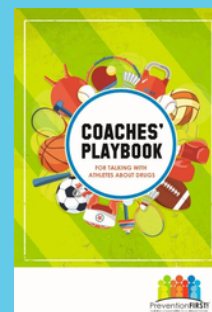

## The Strong Voices, Smart Choices Parents' Guide

A 25-page booklet that provides knowledge, information and support for opening up vital lines of communication with parents/caregivers and their children. The guide offers tips and conversation starters about mental wellness, vaping, drugs, and gambling/gaming prevention to talk with children at every stage of development – from preschool through young adulthood.

**Available in English and Spanish.**

## Coaches' Playbook for Talking with Athletes about Drugs

The Strong Voices. Smart Choices Coaches Playbook is a tool for coaches, athletic directors, administrators, boosters and parents of athletes of all ages. Coaches play an important role in the lives of athletes, and the Coaches' Playbook offers tips on what to say to athletes to help them make healthy choices.

**Available in English.**

# Other Resources

## Building Prevention with Faith Toolkit

PreventionFIRST! created this toolkit with faith communities in mind. The toolkit is accompanied with a training facilitated by PF! staff. The toolkit combines the lessons learned from implementing Faith Partners' Team Ministry approach with general strategies for preventing substance use/misuse.

**Available in English & Spanish-Cost: \$120\* | Toolkit Training-Cost: \$125 per hour\* (1.5-2 hour training)**

**\*Toolkit & training provided to Ohio coalitions and organizations at no cost through grant funds from the Ohio Department of Mental Health and Addiction Services.**
