

Boards of Excellence in Prevention Pre-Assessment Survey for Silver Direct Applications

This pre-assessment tool is to be completed by each Board applying directly to participate in the Silver Level Pilot for Boards of Excellence in Prevention. This assessment will provide designated coaches and facilitators with the necessary information to fully understand the level of prevention qualifications each participating Board possesses and how this translates into the methodologies the Boards use to make funding decisions that support prevention services in their communities to ensure that they are enrolling in the appropriate level of Boards of Excellence. Responses are due no later than **October 30, 2026 at 11:59pm EST**.

* Indicates required question

Contact information

1. What is the name of the individual completing this assessment? *

2. What is the email address of the individual completing this assessment? *

3. What Board do you represent? *

Board Staff Overseeing Prevention

4. How many Board staff oversee the planning and funding of prevention services? *

5. What licenses/certifications do the Board staff that oversee the planning and funding of prevention services have? Please list them one by one, including their names and their credential(s). *

6. If applicable, please identify all Board staff members who will become prevention certified as a part of this initiative. If your Board does not currently have anyone on staff with a prevention certification, this is required for participation in the initiative. *

7. Please identify who will supervise the above staff in getting their prevention certification and the professional license(s) and/or certification(s) they hold: *

Prevention Budget

8. What is the current annual prevention budget that your Board oversees? Please include all local, state, and federal dollars, as well as all discretionary dollars. *

9. Please describe the specific factors your Board takes into consideration when deciding which prevention services to make funding awards: *

10. Please describe the specific factors your Board takes into consideration when deciding how to allocate funding towards substance abuse prevention: *

11. Please describe the specific factors your Board takes into consideration when deciding how to allocate funding towards mental health promotion and/or suicide prevention: *

12. Please describe the specific factors your Board takes into consideration when deciding how to allocate funding towards problem gambling prevention: *

13. Please describe the operational processes, step by step, your Board utilizes to distribute prevention funds to providers: *

Prevention Budget Allocation

14. Does your Board allocate prevention dollars using the 6 Center for Substance Abuse Prevention (CSAP) strategies? *
